The image shows a 'Finish Sign Up' registration form. It contains four input fields: 'Your First Name', 'Your Last Name', 'Your new password', and 'Confirm the new password'. The 'First Name' and 'New Password' fields have a red eye icon to toggle visibility. Below the fields is a blue 'Complete Registration →' button. At the bottom, there is a copyright notice: '© 2024 - ComputersDOTCalm'.

Configure 2FA

1. There are multiple apps that provide two-factor authentication, we have listed two suggested options here:

**Authy (recommended)**
[Download on iPhone](#) [Download on Android](#)

**Google Authenticator**

2. After downloading, open the app on your phone and click the **+** or **New** button and scan the QR code below:

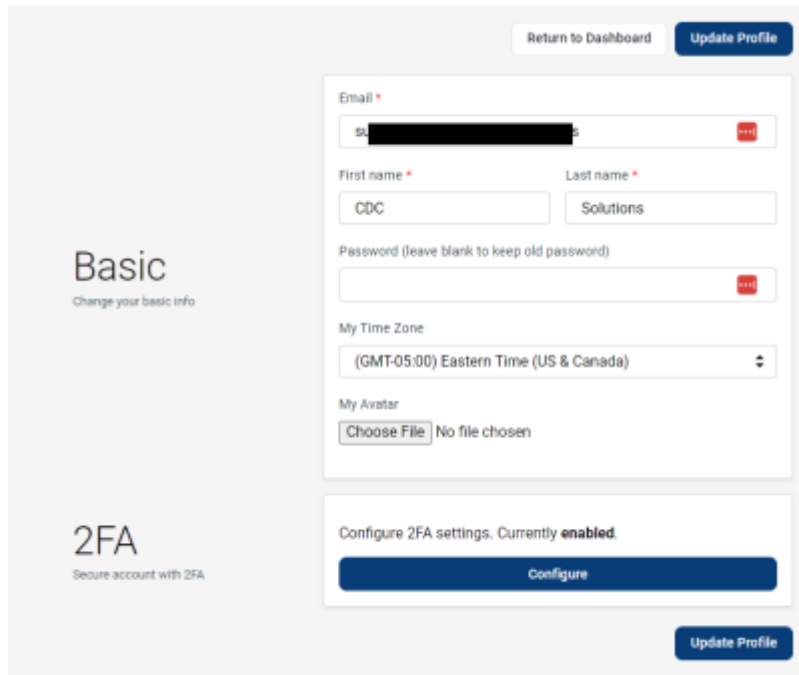

Can't scan? Use this key: X XXXXXXXXXXXX X

3. Enter the code from your phone to confirm the scan was successful:

Code

[Activate 2FA](#)

Scan the QR code with your LastPass Authenticator app on your mobile device and enter in the code in the space provided (in LastPass, the code will show under ComputersDOTCalm - you may want to edit this label). When done, click the **Activate 2FA** button to continue.

If everything looks correct, click the **Return to Dashboard** button at the top to log into your Hudu profile.
