The image shows the Microsoft sign-in page. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed in a large, bold font. Underneath, there is a text input field with the placeholder text "Email, phone, or Skype". Below the input field, there are two links: "No account? Create one!" and "Can't access your account?". At the bottom of the sign-in section, there are two buttons: a grey "Back" button and a blue "Next" button. Below the sign-in section, there is a section titled "Sign-in options" with a key icon.

Use your current email address and then click the **Next** button.

The image shows the Microsoft "Enter password" page. At the top left is the Microsoft logo. Below it, there is a black rectangular box redacting the email address. Underneath, the text "Enter password" is displayed in a large, bold font. Below this, there is a text input field with the placeholder text "Password". At the bottom left, there is a link that says "Forgot my password". At the bottom right, there is a blue "Sign in" button.

Enter your current password for your Microsoft 365 account and click the **Sign in** button.
If asked, make sure you choose **Work or School** account and NOT Personal.
Once MFA is turned on for your Microsoft 365 account, you will be presented with the following:

Click the **Next** button to continue.

Make sure you choose the settings as shown in the above screen shot:

1. Authentication Phone
2. Your current mobile phone number
3. Send me a code by text message

Enter in your current mobile number and then click the **Next** button to continue.
Once you receive the text message, fill in the code on the following form:

Click the **Verify** button to continue.

You don't need to keep the app password that it generates. If all is successful, click the **Done** button to complete the login for your Microsoft 365 account.

Once successfully logged into your Microsoft 365 account, click on your initials in the top right hand corner:
