

You will receive a Welcome email for Pax8 - go ahead and click on the 'Click here' link to set your password

Once you start typing in your password, you will be presented with the security requirement for a successful password.

The screenshot shows a web form titled "Change Your Password" for the website "computersdotcalm". The logo features the word "computers" in blue, "dot" in a red shopping bag icon, and "calm" in grey. Below the title, it says "Enter a new password below to change your password." There are two input fields: "New password\*" and "Re-enter new password\*", each with a toggle icon (an eye) to the right. At the bottom is a black button with the text "Reset password" in white.

Make sure you re-enter the same password and then click the **Reset password** button at the bottom.

## Password Changed!

Your password has been changed successfully.
