

You will receive a Welcome email for Pax8 - go ahead and click on the 'Click here' link to set your password

Once you start typing in your password, you will be presented with the security requirement for a successful password.

The screenshot shows a web form titled 'Change Your Password' for the website 'computersdotcalm'. The logo features the word 'computers' in blue, 'dot' in a red shopping bag icon, and 'calm' in grey. Below the title, it says 'Enter a new password below to change your password.' There are two input fields: 'New password*' and 'Re-enter new password*', each with a toggle icon (an eye) to the right. At the bottom is a black button with the text 'Reset password'.

Make sure you re-enter the same password and then click the **Reset password** button at the bottom.

Password Changed!

Your password has been changed successfully.
