

You will receive a Welcome email for Pax8 - go ahead and click on the 'Click here' link to set your password

Once you start typing in your password, you will be presented with the security requirement for a successful password.

The screenshot shows a web form for changing a password. At the top is the logo for 'computers dot calm', where 'computers' is in blue, 'dot' is in a red padlock icon, and 'calm' is in grey. Below the logo is the heading 'Change Your Password' and the instruction 'Enter a new password below to change your password.' There are two input fields: 'New password\*' and 'Re-enter new password\*', each with a toggle icon on the right. At the bottom is a black button labeled 'Reset password'.

Make sure you re-enter the same password and then click the **Reset password** button at the bottom.

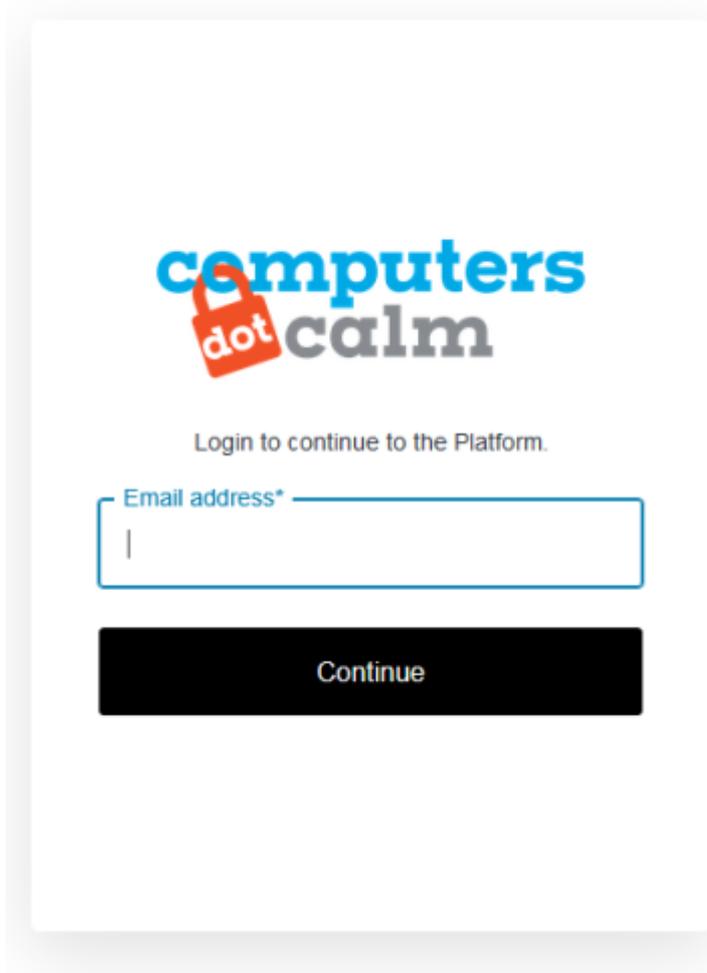

## Password Changed!

Your password has been changed successfully.
