

You will receive a Welcome email for Pax8 - go ahead and click on the 'Click here' link to set your password

Once you start typing in your password, you will be presented with the security requirement for a successful password.

The screenshot shows a web form titled "Change Your Password" from the website "computersdotcalm". The logo features the word "computers" in blue, "dot" in a red shopping bag icon, and "calm" in grey. Below the title, it says "Enter a new password below to change your password." There are two input fields: "New password*" and "Re-enter new password*", each with a toggle icon (an eye inside a circle) to the right. At the bottom is a black button with the text "Reset password" in white.

Make sure you re-enter the same password and then click the **Reset password** button at the bottom.

Password Changed!

Your password has been changed successfully.

[Back to App](#)

If you would like to log into the portal at this time, click on the **Back to App** link at the bottom.
At any time, you can use the following link to log into Pax8: <https://app.pax8.com>

Login to continue to the Platform.

Email address*

Enter in your email and password that have been setup for this account.

MFA Setup Required

Scan the QR Code below using your preferred authenticator app and then enter the provided one-time code below.

[Trouble Scanning?](#)

THEN

Enter your one-time code*

|

Continue

MAKE SURE you copy the code, save it in a safe place and then click on the **I have safely recorded this code** check box in order to continue and click on the **Continue** button.
