You will recieve a Welcome email for Pax8 - go ahead and click on the 'Click here' link to set your password

Once you start typing in your password, you will be presented with the security requirement for a successful password.

Make sure you re-enter the same password and then click the **Reset password** button at the bottom.

If you would like to log into the portal at this time, click on the **Back to App** link at the bottom.
At any time, you can use the following link to log into Pax8: https://app.pax8.com

Enter in your email and password that have been setup for this account.

MAKE SURE you copy the code, save it in a safe place and then click on the **I have safely recorded this code** check box in order to continue and click on the **Continue** button.
