

In order to connect to a SharePoint site with an email account external to the domain hosting the site, you will need to follow these steps.

In your email client, locate the Welcome Email and open it.

SharePoint ... CDC Solutions Support wants to share Networking 4 Success
<https://computersdotsolutions.sharepoint.com/sites/Networking4Success/_layouts/15/images/ExternalSharingWhiteLogo.png>

Click on the Link provided for the new site.
